GENERAL INFORMATION

BACKGROUND

Westrec Marina Management, Inc. (henceforth Westrec) is a California corporation that operates and builds harbors and marinas in the United States. Westrec is operating on behalf of the Chicago Park District pursuant to its management agreement dated April 9, 2015. The Chicago Park District has authorized Westrec to administer the Invitation for Bid (henceforth the IFB) and project management for the construction of dock gates in the Chicago Harbors. The Chicago Park District Board of Commissioners approved the issuance of bonds on October 31, 2018 for harbor construction projects including those improvements specified in this IFB.

BASIS OF AWARD

This contract will be awarded to the lowest responsive and responsible bidder whose bid fully complies with all of the terms and conditions of this Invitation for Bid.

If there are add or deduct alternates, Westrec does not know at the time of bid whether or not one or more alternate(s) will be added to (or subtracted from) the project's work. Westrec will make this determination based on the pricing for each alternate. Alternate pricing must include all labor, materials, equipment, and any other costs associated with performing (or subtracting) the work of the alternate. The determination of award will therefore be based on the Lump Sum Price plus (or minus) the alternate.

Westrec also reserves the right to reject any and all bids, or to withdraw, cancel, or reissue this specification, in whole or in part, in the event that competition is deemed inadequate or that it is otherwise in the best interest of Westrec and of the CPD.

TERM OF CONTRACT

Contract time will commence to run on the date set forth in the Notice to Proceed and will be in effect for one hundred eighty (180) days from the notice-to-proceed.

Westrec reserves the right to extend the contract period by no more than 180 calendar days, either (1) in lieu of exercising an extension option, or (2) following the exhaustion of the option period, in order to extend the contract through final completion.

Under no circumstances shall the awardee commence the work until (1) the required performance and payment bonds and insurance certificates have been furnished to Westrec, and (2) the contract has been fully executed.

CONTRACT DOCUMENTS

The bid submittal forms, when accepted by Westrec, together with the scope, technical specifications, GENERAL CONDITIONS, COMPLIANCE CONDITIONS, and SPECIAL CONDITIONS, if any, and all insurance certificates, affidavits, will form the contract. The documents specified herein contain the entire contract agreement between the parties, and no representations, warranties, agreements, or promises (whether oral, written, expressed, or implied) by Westrec or bidder are a part of the contract unless expressly stated therein.

End of General Information

BIDDING INFORMATION

The Special Conditions, the General Conditions, then the specifications (and plans, if any) shall govern, in that order, if there is any conflict between the Special Conditions, the General Conditions, and the specifications / plans.

COMPLIANCE WITH LAWS

Bidders shall at all times observe and comply with all federal, state, and local laws, ordinances, and regulations that may in any manner affect the preparation of bids and proposals. Additionally, bidders shall at all times comply with the Code of the CPD (hereinafter Code). The bid submittal process is governed by that Code.

GENERAL CONTRACTOR'S LICENSE

Westrec requires that bidders on building projects hold a City of Chicago General Contractor's License of the appropriate class for the bid, in addition to any other license required by law. A general contractor is defined as a person who, as an investment or for compensation or with the intent to sell or lease, arranges or submits a bid or offers to undertake or purports to have the capacity to erect, construct, alter, repair, move, install, replace, convert, remodel, rehabilitate, modernize, improve, or make additions to any building -- or to any building adjunct attached to real estate and located on the same lot as the building, including driveways, swimming pools, fences, etc.

EXAMINATION OF THE IFB DOCUMENTS

Each bidder may obtain one copy of the IFB in the manner provided in the advertisement. Westrec documents obtained from any source other than Westrec cannot be assumed to be complete, and bids prepared from such documents are subject to rejection.

It is expected that each bidder will read the entire IFB document with care and will submit the forms and affidavits contained in this IFB without alteration. Westrec will not accept bid forms that have been re-created or reformatted by the bidder.

It is also expected that each bidder will carefully review its bid package before submittal to Westrec, to confirm that it meets all requirements set forth in the IFB's BID EXECUTION and BID CONTENTS sections. The bidder's negligence in these matters, or the failure of the bidder to ask relevant questions before the bid due date, will not relieve the bidder of any obligations to comply, in every detail, with all provisions and requirements of the IFB document, if the bidder is awarded a contract. Conversation with an attorney is recommended, since this document may have important legal consequences.

PRE-BID MEETINGS

IF THERE IS A MANDATORY PRE-BID MEETING, and the prospective bidder does not attend, he/she cannot submit a bid. Additionally, if a non-attendee attempts to submit a bid, that bid will not be considered.

IF THERE IS A NON-MANDATORY PRE-BID MEETING, attendance is not required but is strongly recommended.

IF THERE IS NO SCHEDULED PRE-BID MEETING and a prospective bidder is in doubt as to the true meaning of any part of the IFB, he/she may submit to Westrec a written request for an answer, an interpretation, or the correction of any ambiguity, as set forth below.

QUESTIONS & ANSWERS

QUESTIONS MUST BE SUBMITTED IN WRITING by 10:00 a.m., Central Standard Time, Thursday December 3, 2020, whether or not you attend any pre-bid meeting. Questions submitted later will not be answered.

Failure on the part of the prospective bidder to receive written interpretations, clarifications, or answers prior to the time of receipt of bids will NOT be grounds for the withdrawal of the bidder's bid after it is submitted.

ANY CORRECTION, REVISION, ANSWER, or CLARIFICATION of the bid documents will be made only by a written addendum (if something in the IFB document is changed) or a Clarifications / Answers document (if nothing in the IFB is changed) duly issued by Westrec.

A copy of such an ADDENDUM (or Clarifications / Answers) will be faxed, mailed, or e-mailed to each company recorded by the CPD as having obtained a copy of the IFB from Westrec. It will also be uploaded to the IFB's on the Westrec website. It is the sole responsibility of the bidder to obtain any addenda. Westrec will not be liable for the bidder's failure to obtain or download any addenda that may be issued for this bid. No ADDENDA will be issued later than five (5) days prior to the date the bids are due, unless it is an addendum canceling the Invitation for Bid, or one that includes the postponement of the bid's due date.

BIDDER MUST ACKNOWLEDGE RECEIPT OF EACH ADDENDUM ON THE IFB'S SIGNATURE PAGE. It is not necessary to acknowledge receipt of a Clarifications / Answers document.

IF REPRESENTATIVES OF Westrec ADDRESS QUESTIONS AT A PRE-BID MEETING, no such statements made shall in any way bind Westrec. Prospective bidders must still submit all questions in writing to Westrec by the date and time specified herein. A reply, if any, will be issued in the form of an addendum or a Clarifications / Answers, as set out above.

ERRORS IN BIDS

Bidders are cautioned to verify their bids before submission. Negligence on the part of the bidder in preparing their bid confers no right of withdrawal or modification of the bid after it has been opened. In case of error in the extension of prices in the bid, the unit prices will govern.

SUBMITTING BIDS

Submittal of a bid shall constitute the bidder's representation and warranty that it is capable of doing the work of the contract in the manner set forth in this IFB document, and its acceptance of the CPD's General Conditions and Special Conditions, if any, which are included in this IFB document.

No oral, telegraphic, or telephonic bids, or oral bid modifications, will be considered.

SELF-PERFORMANCE OF WORK

The awardee must perform with its own organization and forces a minimum of 25% of the work at the site.

WITHDRAWING BIDS

Prior to the scheduled time and date for the receipt of bids, any bid submitted early may be amended, modified or withdrawn by written notice to the Director of Purchasing. Such notice of amendment or modification shall be in writing over the signature of the bidder, and the change shall be so worded as not to reveal the amount of the original bid or the amended bid. Withdrawn bids may be resubmitted up to the time and date designated for the opening of bids, provided that they are then fully in compliance with these Bidding Requirements.

A bid may not be modified, withdrawn or canceled by the bidder after the stipulated time and date designated for the opening of bids, and the bidder agrees to that effect by submitting the bid.

A bid may be withdrawn if Westrec fails to make a formal award within one hundred twenty (120) calendar days after the date fixed for opening bids.

OPENING BIDS

All bids will be opened beginning at the time and place stated in the advertisement or at such other time or on such other date as shall be specified in an addendum or in a notice posted at the Westrec offices at the time originally set for the opening of bids. Further postponements may likewise be issued.

Westrec does not consider bid results read at public openings to be final and/or binding. They are subject to review for completeness, accuracy, and compliance with all of the terms and conditions of the bid specification.

After bid opening, no changes in bid prices or other bid conditions that would be prejudicial to the interest of fair competition or Westrec or the CPD will be permitted.

Bidding may be canceled either before or after opening the bids but prior to award, in whole or in part, when it is in the best interest of Westrec and the CPD.

COMPETENCY OF BIDDER

The CPD may make any and all investigations it deems necessary to determine the ability and responsibility of the bidder to perform the work. The bidder, if requested, must present within a reasonable time (as determined by Westrec) evidence satisfactory to Westrec of ability to successfully perform on any contract awarded pursuant to this bid, and the possession of necessary facilities, labor, materials, equipment, supplies, expertise, financial resources, and adequate insurance to comply with all of the terms of this IFB and any contract awarded pursuant to its provisions. Westrec may seek clarification from any bidder at any time, and failure to respond promptly is cause for rejection. Specifically, the bidder must have performed work similar to that specified in the IFB totaling at least \$2 million

The bidder, acting as an individual, partnership, corporation, or other legal entity, must be of professional status, licensed to perform in the State of Illinois, and licensed for all applicable professional discipline(s) requiring licensing. Bidder shall be governed by professional ethics in its relationship to Westrec and the CPD. The bidder also must possess any appropriate City of Chicago licenses.

No bid will be accepted from, or contract awarded to, any person, business, firm, partnership, limited liability company or corporation that is in arrears or is in default with Westrec or the CPD upon any debt of contract, or that is a defaulter, as surety or otherwise, upon any obligation to Westrec or the CPD; or that has previously forfeited a bid deposit or has failed to perform faithfully any previous contract with Westrec or the CPD.

Should there be any reasonable grounds for Westrec to believe that a collusion or fraud exists between bidders or participants, such bid may be rejected and all such bidders or participants in such collusion or fraud will not be considered in future bids for Westrec or CPD contracts.

CHICAGO BUSINESS PREFERENCE

A Chicago business is a business located within the corporate limits of the City, and which is subject to City taxes, and has the majority of its regular, full-time work force located within the City.

If the bid of a responsive and responsible Chicago business is higher than the lowest price bid by a responsive and responsible non-Chicago business, but does not exceed that low bid by more than two percent (2%), Westrec will accept the bid of the Chicago business as the lowest, most responsive and responsible bid.

For a joint venture to be deemed a Chicago business, a Chicago business must hold at least a 50% interest in the joint venture, and documents proving such must be submitted with the bid.

PERFORMANCE & PAYMENT BONDS

No later than ten (10) calendar days following the date of the award, the awardee shall furnish to Westrec, and maintain at its own cost and expense, a Performance Bond and a Payment Bond, each in an amount equal to 100%

of the highest cash bid, except as may be otherwise provided in the Special Conditions. However, Westrec reserves the right to increase the amount of the performance bond to a percentage of the total value of the contract if the contract amount increases.

The surety on such bonds shall be a surety company authorized to do business in the State of Illinois and approved by Westrec. Attorneys-in-fact who sign the said bonds on behalf of a surety must affix to each bond a certified and effectively dated copy of their power of appointment.

In the event that the awardee fails to furnish the Performance Bond and Payment Bond and the evidence of insurance in said period of ten (10) calendar days, or such extended period as Westrec may grant at its sole discretion, the awardee shall be in default, and Westrec may award the contract to the next lowest responsible bidder or re-advertise for bids. In such case, Westrec shall retain the awarded contractor's bid deposit as liquidated damages, and not as a penalty.

If the contracted work is not completed within the time specified, said event could result in partial or complete loss of the awardee's Performance Bond.

EQUAL EMPLOYMENT OPPORTUNITY

The awardee shall comply with, and assist Westrec in implementing, all equal opportunity policies set forth in the specification documents, as well as any such policies or regulations which may be issued or amended by Westrec from time to time, and all requirements under applicable federal, state and local statutes, and any applicable regulations thereunder, relating to equal employment opportunities for all individuals.

PREVAILING WAGE

Each bidder, contractor, and subcontractor shall comply with all applicable prevailing wage requirements.

The awardee shall comply with 820ILCS 130/0.01 et seq., as it may be amended (the "Act"), so long as the Act is in effect, in order to ensure that such persons covered by the Act are paid the prevailing wage rates as ascertained by the Illinois Department of Labor. All such contracts shall list the specified rates to be paid to all those employed in the contract. If the Illinois Department of Labor revises such prevailing wage rates, the revised rates shall apply to all such contracts.

SUSPENSION AND DEBARMENT

If federal funds are expended on this project, the awardee may be required to submit documentary proof that the awardee has not been suspended or debarred from receiving federal funds.

INCURRED COSTS

Westrec and the Chicago Park District will not be liable for any costs incurred by bidders in replying to this solicitation.

RETURN OF BIDS

Westrec is under no obligation to return any bids or materials submitted by the bidder in response to this IFB.

RESERVED RIGHTS

Westrec reserves the right at any time and for any reason to cancel this Invitation for Bid, to reject any or all bids, or to accept any bid or part of a bid which in its judgment will be in the best interest of the CPD. This includes the right to award this contract to one or more firms; by region or by multiple regions; or by category or section as published in the Bid Submittal/Cost Pages.

Westrec reserves the right to reject any bid where Westrec has a reasonable doubt, in its discretion, as to the qualifications of the bidder to carry out the obligations of this contract and to complete the work contemplated in the specification (see COMPETENCY OF BIDDER).

Westrec reserves the right to waive immaterial irregularities and informalities in bids, and to interpret ambiguities and decide inconsistencies that may appear in any bid, when, in the opinion of Westrec, the public interest will best be served by such waiver.

Westrec reserves the right to reject any bid that (1) shows omissions, alterations, or additions not called for in the Bid Submittal/Cost Pages, (2) contains conditions or unauthorized alternate bid(s), or (3) otherwise does not conform to the requirements of this specification.

Westrec has 120 calendar days from the date of the bid opening to accept a bid for contract, unless, upon request from Westrec, the lowest responsible bidder(s) extends the time of acceptance.
