**NOTICE OF AVAILABILITY: N-2101
For Commercial Office Space in 31st Street Harbor**

N-2101

Addendum 1

- Q.** If we can lease this space I would like to know if we could move our boats from D dock over to the Dock K / L area?
- A.** You can submit a transfer request for available spaces in these areas.
- Q.** Do those slips have specific length designations or would the dockage rate be billed per foot of the vessel?
- A.** Harbor Fees are based on the rated capacity of the berth facility, or the boat assigned to the berth, whichever is greater. Slips on K dock are 60 feet and 70 feet in length. There are no longer slips on L dock due to the 2019 reconfiguration of the dock.
