

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.

I do not want J37-40. This would be a Belmont inter-harbor transfer, as I am currently located at Belmont A1. Please confirm receipt of this email and amendment to my transfer request made. Thank you.</p> <p>06/08/21 10:03 AM - . As stated in this morning's email, we would like J30 as a first choice and if that is not available then any slip from J21-36 on the north side of J dock will work as a second choice. We do not want J37-40 or I dock. Our request for J30 should not exclude J21-36 if one of those becomes available. Thank you.</p> <p>07/19/21 08:32 AM - I would like to amend my harbor transfer request originally dated May 22, 2021. I would like to change the request to read "In the event that the power is turned off for any reason or A dock is made unfit to dock my boat, I request a transfer to Belmont J dock on the north side only, any slip for J21-36." This would be a Belmont inter-harbor transfer, as I am currently located at Belmont A1. Please confirm receipt of this email and amendment to my transfer request made. 	We just traded our Beneteau 41.1 for a Dufour 390. Even though the new boat is a bit shorter than the old one, I'd like to stay on the south side of H dock in Belmont which has longer slips than on the north side. But the new boat has its throttle on the starboard side, whereas the throttle on my Beneteau is on the port side. Our slip - H12 - requires us to dock to port. If at all possible I would very much appreciate your moving our new boat to a slip where we would dock to starboard. Stated differently, if we are still on the south side of H dock we would like to be on the east side of the two-boat slip.

	If south side of J dock is not available, I would take North side							
	And finally, If J dock is full, North side of E dock would work as well.

	I would like to be on the southern most dock that would accommodate a 38ft boat. I believe that is Dock J. and from availability last year J33, J31, J06 in order would be my preference. But if others opened up I would consider.
