

Transfer Waiting List

For your convenience, we have published our new applicant waiting list and our transfer list. The lists are sorted by date. To find your position on the list, simply reference the month, day and year in which you applied.

New applicants and transfers are assigned based on application date, preference and availability. Please read the “Procedure for Assigning Seasonal Mooring Permits” in the Rules and Regulations section to see the order of assignments as dictated by the code of the Chicago Park District.

The assignment process for transfers and new applicants is now a year round process. They can be conducted anywhere from a weekly to a monthly basis depending on availability, time of year, outstanding transfers and outstanding applications. The greatest availability occurs after the deadline for seasonal renewals, when non-renewed spaces become available. Transfers within harbors are done before transfers between harbors and there may be several rounds of each. Applications are done after the completion of the transfer rounds.

All transfer requests will remain on file until they are accommodated. If you wish to cancel a request, you must notify us in writing. Also be aware that if you have multiple transfer requests and one of them is accommodated, the other transfer requests will remain active unless you cancel them by notifying us in writing.

If you contact us regarding a transfer, please refer to it by the date of the transfer, not the number listing. These numbers are simply the order at the time the list is printed and change as people receive or withdraw transfers.

Please note that if a permittee failed to pay their renewal fee by the due date, they have forfeited their previous assignment and any transfers on file have been deleted.

82	Robinson, Lindsey Requested Year: 2022 T-Head/Side Tie Spaces: Only if my other choices are unavailable Current Commercial Permit: Yes 10/05/21 08:31 AM - I am currently at 31st in on I dock so I believe the stall is for up to 50 foot vessels. I would like to transfer to Burham as my first choice. Ideally, this is the only move that I would like to make. If that is not possible, I would like to move from 31st "I" dock to "L" dock. But I much prefer the location change to Burnham. 10/12/21 08:32 AM - I have a business partner that occupies slip K-3, Gregg Pavalon, and was wondering if I might acquire a slip next to or near him if possible. 10/12/21 10:39 AM - I would still like to transfer to Burnham even if those slips are not available.	50	60	0	10/03/21	Power	JSTJ039	X

I'm changing my boat to 68'~70' this coming season 2025 and please help and update my boat slip to a 70' or bigger from my Current J dock/Belmont location. I prefer T-Head or J dock #16 (a neighbor sold his boat) if possible. Thank you so much for your help and support.

<p>Comments: We need a stall for our new Swan 47-foot sailboat. We are number 68 on the list for a new slip, but if that is not possible this year, we would consider moving from our existing Belmont south side slip # U4 to accommodate the new larger boat. We would rather retain slip U4 so our Tiara 33 can remain in that slip and obtain a new slip for the new 47-ft sailboat, but if we need to sell the Tiara to accommodate the new sailboat, so be it. The new boat is on its way to Chicago, so we need the larger slip for the 2025 season.</p> <p>Our preferences in order would be -</p> <p>South Side of Belmont, slip U1 - which could easily handle a 47-foot sailboat (if it has access to electricity for shore power - but no water is necessary) South Side of Belmont T-Head on S, T, or U dock, or any south side slip that can accommodate a 48 ft sailboat Montrose 50 ft stall on N dock Montrose T-Head on O dock Dusable T-Head close to Columbia Yacht Club (G, F, or E dock) Dusble 50 ft stall on B dock - very last choice</p> <ol style="list-style-type: none"> 1 Belmont - Stall 2 Montrose - Stall 3 DuSable - Stall
